

HITI P510L

Compact Studio Photo Printer

► Lightweight 6-inch Roll-type Photo Printer

Weighing less than 14kg, HiTi P510L is the 6-inch PC-Link roll-type photo printer combining lightweight and high speed in one product. Designed for professional users, HiTi P510L provides the flexibility for on-location photo finishing.

13.6kg
(30 lbs)

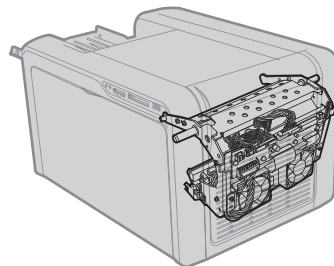

► Instant and Quality Photofinishing

Blending dye-sublimation and HiTi color technology, HiTi P510L delivers high speed and quality photofinishing to satisfy a wide range of photo demands, including glossy and matt finishes as well as varied paper sizes.

► Steady Operation to Save You More Cost

HiTi P510L features low maintenance and excellent dust proofing that proves steady operation. Its durable exterior is with all front access to the consumables in result of easy and efficient maintenance. Plus, the Thermal Printing Head of HiTi P510L is well covered by mechanical house against contamination.

Bring Your Business Anywhere

HiTi P510L Photo Printer

► Compact Design for Limited Space

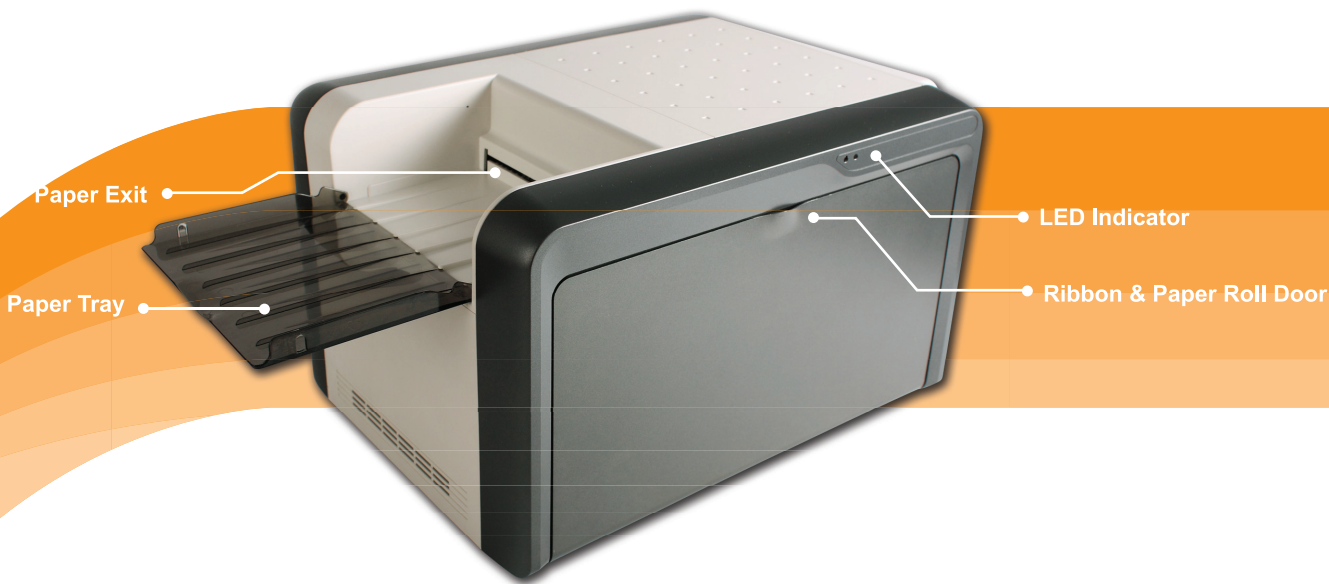

The compact and light-weighted HiTi P510L is absolutely proper for different space limits and high mobility. It is the best recommended choice for photo booth, studio and amusement park.

► Flexible Configuration to Expand More Business

Simply via a USB cable, HiTi P510L is easy to extend its photo printing capacity and provide more comprehensive service. It is capable of printing various paper sizes without constant consumable switching.

Features

- Compact and Simplified Design
- High Speed Printing
- Glossy and Matt finishing
- Excellent Dust Proofing
- Flexible Configuration
- Low Power Consumption
- Powerful Bundled Software

Applications

- Photo Booth
- Free Lancer
- Photo Studio
- Amusement Park

► Practical Software / Utilities

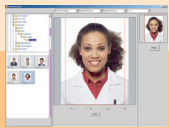

EventDésirée Deluxe

Designed for event business, the software is especially for users who want to print a large quantity of photos under limited time period. By applying EventDésirée Deluxe, it is so much easier to convert JPEG files into HiTi designated event template formats and make great quantity of photo printing.

IDQuickDésirée

PC-based software gives users the ability to print Passport/ID photos.

► World Leading Output Quality

10-bit Color Engine

By adding an all-new OEE II image processor, HiTi is leading the industry in providing 10-bit deep color performance and unparalleled RGB-Level.

10-bit processing = 1,024
 R 1,024 x G 1,024 x B 1,024 = 1 Billion Color

Powered by HiTi Color

HiTi Color Technology, a HiTi exclusive color management system, has won 8 DIMA awards and is acclaimed by photographic professionals from around the world.
